Amount Largest Ever Raised Here For Chapter Plea

\$3,750 Goal Topped By 61.7 Per Cent; Carbide Gives \$1,650

Following up their drive-opening splurge, generous Y-12ers last week continued to pour in substantial contributions in answer to the annual fund appeal of the Oak Ridge Chapter of the American Red Cross at such a rate that by last Friday a total of \$6,065.46 had been turned in to chapter headquarters by Y-12 Plant Campaign Committee Chairman Ray Barron. It is the largest amount ever contributed by Y-12ers to the Red Cross and was 61.7 per cent above the assigned goal of \$3,750 given to the plant.

Chapter Seeking \$24,595

The Oak Ridge campaign in general as going along in good style, according to W. S. Herron, Y-12er in Chemical who is general fund campaign chairman for the local chapter. James E. Campbell, also of Y-12, is chapter chairman and joined Herron in congratulating Y-12ers on the speed with which the campaign was staged in this plant. The chapter is seeking \$24,595 for its work in the city during the coming year.

It also was announced last week that Union Carbide and Carbon Corporation, of which Carbide and Carbon Chemicals Company is a Division, had contributed \$1,650 to the Oak Ridge Red Cross chapter on behalf of the Carbide units in the Oak Ridge area.

Seventh Year To Be First

The successful Red Cross campaign in Y-12 this year added new laurels to the reputation of Y-12ers for responding quickly and generously to all such appeals for

The Bulletin Resumes Sketches On Y-12ers Earning Promotions To Supervisory Posts

Recognition Given Eight Plant Employees Rising To Foreman Or Assistant Foreman In First Series

Last spring The Bulletin concluded a series of sketches on more than 100 Y-12ers who were promoted to supervisory rank because of their qualifications and good records. This series now is being resumed to give recognition to other employees who have received advancements since the first series was completed. There will be absolutely no significance in the order in which the sketches appear or the number of them that will appear regularly in The Bulletin during the next several weeks.

The sketches selected for this week's paper all are of men in the Maintenance Division. The eight selected for this edition follow:

E. R. Ballew—Ballew came to work in Y-12 on January 27, 1953 and originally was with the Guard Department. On May 1, 1953, he was promoted to the post of Labor Foreman in the Janitors Department. He lives in Lenoir City.

Jesse L. Spray—This Y-12er was employed on November 26, 1951 as an electrician. He was promoted from that rank to Assistant Foreman on June 1, 1953, and later to Foreman on December 1 of the same year. He is in the ADP Maintenance Service Department and lives at 100 North Walker Lane, Oak Ridge.

A. K. Johnson—Hired in Y-12 on March 6, 1952, Johnson was promoted from the post of instrument mechanic to Foreman in the Electrical Maintenance Department on June 1, 1953. He lives at 422 West Outer Drive, Oak Ridge.

O. E. Bean—He came to work in Y-12 on May 1, 1951 as an instrument mechanic. On April 1, 1953 he was promoted to Foreman in the ADP Maintenance Service Department. He lives on Route No. 7, Knoxville.

J. B. Strickland—Employed on April 16, 1951 Strickland was a pipefitter and was promoted to Assistant Foreman on July 1, 1953 in the ADP Maintenance Service Department. His home is at 163 Hillside Ave., Oak Ridge.

C. R. Eichelberger—Coming to work in Y-12 on March 30, 1953, he earned his advancement from

Girls Club To Give St. Patrick's Hop On Friday, March 19

The highly-popular Y-12 Girls Club will sponsor another social extravaganza, a Saint Patrick's Day Dance, on Friday night, March 19. The site of the shindig is undetermined but complete details of the affair will be published in the next issue of The Bulletin.

Publicity chairman of the club, Florence Housch, is handling the details of the event. Sue Wassom serves as president of the organization with Evelyn Tucker serving as membership chairman. The Girls Club membership is open to all Y-12 women employees and new members are welcomed at any time.

Lions Club Minstrel Show Has Y-12ers In Big Cast

The Seventh Annual Old Time Minstrel Show to be staged by the Oak Ridge Lions Club Thursday, Friday and Saturday nights at the civic auditorium in the high school will see a number of Y-12ers and other Carbide employees in the Y-12 Plant Area in the large cast. Curtain time is 8 p.m.

The Carbide employees in the Y-12 Plant Area in the production include M. C. Bays, William G. Cobb, James G. Bowers, Wesley Savage, William C. Tunnell and others. In the African Violet skit presented by the wives of Lions Club members the feature is directed by Mrs. Cobb and Mrs. Tunnell is in the cast.

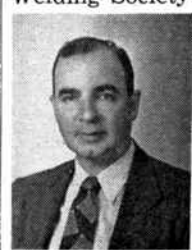

SUPERINTENDENT MURRAY CONGRATULATES Y-12ERS FOR RED CROSS RESPONSE

"The prompt and generous response of Y-12 employees to the annual appeal of the Red Cross continues the tradition of past years," said Y-12 Plant Superintendent J. P. Murray last week after learning that the campaign goal of \$3,750 in the plant had been met and exceeded in the first few hours of the drive.

"I want to heartily congratulate every Y-12 employee who contributed to the Red Cross for the civic consciousness shown by their support of the work done by the Oak Ridge Chapter in the community. This outstanding spirit again has placed the Y-12 Plant first in its class in Oak Ridge to go 'over the top' and is a tribute to the unselfish and efficient work of Plant Campaign Chairman Ray Barron and all members of his committee who gave their time and efforts in bringing this honor to our plant," Superintendent Murray concluded.

Welding Group To Hear Talk By ALCOA Man

An address on "Welding Advances With Aluminum" will feature a dinner meeting of the Northeast Tenn. Section of the American Welding Society to be held at the S. & W. Cafeteria in Knoxville on Monday night, March 15. The meeting will start at 7 o'clock.

W. M. Rogerson Development Laboratories, Aluminum Company of America, at New Kensington, Pa., will be the speaker at the meeting. His talk will describe various established methods of joining aluminum with its alloys. The address will be illustrated both by slides and a sound movie. Rogerson was born in Scotland in 1904 and attended grade and high school in his native country before attending the Fife Mining School there. He has been with ALCOA for the past 26 years.

Members of the AWS in Y-12 wishing to attend the meeting next Monday may obtain tickets from Jack M. Case or J. C. Thompson, Jr., both in Bldg. 9739.

Company Surplus Property Sales Set March 13 And 27

The popular surplus property sales at the big Carbide warehouse on River Road will be continued in March with sales set for Saturday, March 13, and Saturday, March 27. Y-12ers and other Oak Ridgers have found these sales handy for obtaining material and articles for many domestic and even commercial uses and the warehouse has been crowded on every Saturday the sales have been held. The sales will be held from 8 a.m. until noon on the two Saturdays in March.

ATOMIC LOG CUTTER SEEN

California logging interests have been told that science in the next 50 years will develop an atomic beam for cutting lumber, says the Washington News.

Recreation Office Has Fair Entry Blanks

Entry blanks now are available at the Y-12 Recreation Office for any Y-12er or members of their families to enter the Third Annual Hobby Show sponsored by the Oak Ridge City Recreation Department. The fair will be held Saturday, March 20, at the Ridge Recreation Hall from 11 a.m. to 9 p.m. The application blanks may be obtained at the Y-12 Recreation Office, North Portal, telephone 7753; the City Recreation Department in the City Administration Building, Room 113; or the Ridge Recreation Hall.

There were 42 different exhibits displayed last year in the Hobby Fair and Miss Doreen Kirkland, director of the fair expects even more this year.

Exhibits this year again will be divided into five classes, including handicrafts, collections, models, graphic arts, mechanical and technical. First, second and third place ribbons will be awarded in each class. Visitors to the fair will be asked to cast ballots for their favorite entry.

The following Y-12 employees were patients in the Oak Ridge Hospital last week:

Arthur O. Phillips, Stores; H. H. Martin, Maintenance Shops; H. E. Robinson, Electrical Maintenance; J. E. Davey, Alloy; H. H. Miller, Roy H. Buchanan and Charles B. Davis, Field Maintenance; Gus Craig, Buildings and Grounds; Earl J. Panter, Research Services; J. C. Bishop, Uranium Processing; B. F. Hope, Property Sales; Gene McWilliams, Janitors.

Y-12ers Invited To Attend Reactor Engineer Seminar

Y-12ers interested in "The Nature of Flow of Ordinary Fluids in a Thermal Convection Harp" are invited to attend a discussion of the subject at a meeting of the Reactor Engineering Seminar set for 3 p.m. tomorrow, Thursday, March 11. The meeting will be held in the auditorium of Bldg. 4500, Oak Ridge National Laboratory. D. C. Hamilton will be the speaker.

'New World Symphony' Tops Last Concert By Orchestra

The popular Dvorak "New World Symphony" with its haunting melody "Going Home" will be featured by the Oak Ridge Symphony Orchestra in its final concert of the season tonight, Wednesday, March 10, in the civic auditorium in the high school. Curtain time is 8:15 o'clock. Two songs by Menotti and two by Greig will be sung by Anna Cebart, Oak Ridge soprano, with accompaniment by the orchestra. Dr. Waldo Cohn, director of the orchestra, again will wield the baton.

GILLIAM—TURNER

The marriage of Miss Lynda Moore Turner, of the Y-12 Superintendents Department, to Guy Phillip Gilliam, of the Carbide K-25 Plant, was solemnized at 1 o'clock Sunday afternoon, February 28, at the Oak Ridge First Baptist Church.

Dr. Madison V. Scott, pastor of the church, performed the double ring ceremony at an altar banked with palms, ferns and white gladioli. Candelabra, holding burning white tapers, also were used in decorating the church.

The bride is the daughter of the late Mr. and Mrs. Milton A. Turner, of Morristown, Tenn. Gilliam is the son of Mrs. Jerry W. Gilliam, of St. Charles, Va.

A program of wedding music, including "The Lord's Prayer" and "Because" was given by Mrs. A. L. Allen, vocalist; and Mrs. C. A. Harter, organist.

Given in marriage by her brother-in-law, Jerome T. Smith, of Knoxville, the bride wore a ballerina length dress of white tulle with lace insertions. The finger-tip veil of illusion was attached to a Juliet cap of lace, trimmed with seed pearls. She carried a white prayer book topped with a white orchid.

Miss Mary Ann Wood, the honor attendant, wore a ballerina length dress of aqua net with matching headband. Her bouquet was a cascade of yellow roses.

The groom chose as his best man Everette L. Halstead, K-25 Maintenance Engineering. Ushers included Leon L. Parris and W. Richard Huntley, of Oak Ridge; Russell L. Jordan, Petersburg, Va.; and Clyde E. McClintock, Richmond, Va.

A reception was held in the East Lounge of the Ridge Recreation Hall immediately following the ceremony. Those serving were Miss Betty Sue Davis, of the Y-12 SDA Department; Mrs. J. T. DeLorenzo, Knoxville; and Miss Ernestine Simpson, Spring City, Tenn.

After a southern wedding trip the couple will live in Oak Ridge.

to all concerned . . . All right, Cookie, here they are . . . G. R. Cox has been elected assistant chairman of safety at "Silver City" (Huh?) Vacationers from the department include J. C. Potts, E. Hatmaker and J. B. Daniels.

J. H. Leffew, Transportation, is vacationing for a week.

Planning and Estimating extends wishes for a speedy recovery to Callie Sharp, who is a patient in the Vanderbilt Hospital in Nashville.

J. R. Carroll, of ADP Maintenance, is vacationing this week. . . . The department extends get-well wishes for W. A. Cofer's son, Talmadge, who suffered a broken arm in a recent fall.

Two Y-12ers were being congratulated last week for becoming fathers of babies born at the Oak Ridge Hospital. They were—

V. F. Villella, Uranium Processing, boy, February 26.

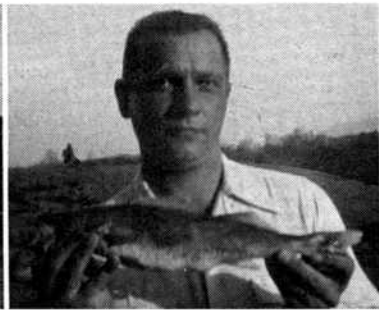

C. E. Dalton, Electrical Maintenance, girl, February 26.

REDS 'GUN' FOR GOTHAM

The New York Times reports that Lieut. Gen. C. R. Huebner, New York State civil defense chief, has asserted that Russia would be willing to explode 50 atomic bombs "to get" New York City in event of hostilities.

MISS MARCELLE FERGUSON, OF THE ASSAY LABORATORY who will be married March 20, was honored at a linen and china shower Wednesday night, March 3, by fellow employees. Hostesses were Misses Annie Rogers and Ruth Andrew. In the picture of the affair above the honoree is seated behind the table at right and at her immediate right is Mrs. Mary Orlando, of New York, mother of the bridegroom-to-be, Nick Orlando, football coach and instructor at Jefferson Junior High School, Oak Ridge. Standing, from left, are Eula Hays, Frances Kelly, Agnes Johnson, Katherine Sells, Sammy Mattingly, Ozell Pass, Bertha Mai Melson, Mary Katherine Householder, Annie Rogers, Dorothy Roden, Ruth Andrews and Bonnie Roberts. Seated in front are Margaret Brooks, Virginia Hill, Josephine Wright and Nell Leonard.

THE SAUGER PIKE SURE WERE BITING THE DAY these two Y-12 anglers wet their lines with the evidence pictured above. At left is Fred G. Leon, Field Maintenance, with his prize, nabbed from the Little Tennessee River, the fish giving him such a tussle he had to go home and sit down to pose for the picture. Lloyd O. Huitting, Product Processing, was strong enough to stand up under his triumph over the beauty caught at Loudon Dam, as shown at right. Both fish rated high upon the sauger weight scale—but can be topped in the annual Y-12 Fishing Contest, in which both these victims are entered.

First Fishing Rodeo Of Year Starts March 22 For Y-12ers

The first Y-12 Fishing Rodeo of the year for plant anglers and their families will be held from 12:01 a.m., March 22, through midnight, April 4. Fishing rodeos held in the past have attracted many Y-12ers and interest in the sport this season seems to be at a high level.

Any Y-12er or a member of his immediate family (wife, husband or child) may enter the contest by purchasing a ticket for 50 cents and then the race is on to see if the big one can be hooked.

The rodeo ticket sale now is underway with the deadline set for Friday, March 19.

Tickets may be purchased at the following places: Y-12 Recreation Office, North Portal; R. S. Philippi, Bldg. 9212; Avery Kendig, Bldg. 9201-2; Evan Means, Bldg. 9737; Russell Hopper, Bldg. 9707; Nelson Tibbatts, Bldg. 9739; Joe Smyrl, Bldg. 9204-4 and R. H. Eichorn, Property Sales at Elza Gate. Hopper is chairman of the fishing rodeo committee with his associates being Kendig and Means.

Species of fish eligible for entry into the rodeo include largemouth, smallmouth and striped bass, walleye and sauger pike, crappie, bream and trout.

First, second and third prizes will be given in each class with weight determining the winners. In case of ties, length and girth, in that order will be used to determine the winner. All money received from entry fees will be used to buy prizes.

The catch must be certified by an operator of a fishing dock or the Central Hardware Co. or the Sportsmen's Service Supply Store in Oak Ridge to make the entry official. Entry blanks may be left at either of the stores or the Y-12 Recreation Office not later than noon on Monday, April 5.

Complete rules for the rodeo are printed on each entry card.

Varsity Keglers In Winning Form

The Y-12 varsity bowlers got back on the victory trail last week at the Oak Terrace alleys by winning three points from the Independents. The win brought the Y-12ers record for the season thus far to 63 wins and 37 losses.

Frank Gragg led the scoring parade for Y-12 with 190, 198, 209—597; followed by Jack Spears 160, 155, 175—490; Len Hart 169, 155, 162—486; Ernie Cobble 173, 122, 168—463 and George Schierbaum 146, 148—294. Joe Pryson rolled only one game, a 146. Team totals for Y-12 were 838, 776, 862—2476 against 768, 811, 790—2369 for the Independents.

Glass Arms Upset League Leaders In C

A big upset occurred last week in the C League as the cellar dwelling Glass Arms rose up and smote the league leading Rusty Five keggers a whitewashing. The second place Hot Wires also went down in defeat before the improving Hooks by a three-point margin while the Uranium Control Junior Varsity showed sparks of enthusiasm as they took four tallies from the Cant Hooks. The scheduled match between the Screw Balls and Hornets will be made up later.

Individual honors went to Otis Rackley, of the Cant Hooks, with a 219 handicap game and a 623 handicap series. Ed Raabe, of the Cant Hooks, tallied a 181 scratch game while Ed Gambill, of UCJV, rolled a fine 519 scratch series. Team honors were hogged by the Cant Hooks with a 768 scratch game and a 2218 scratch series. The Hot Wires came in with a 972 handicap game and UCJV got into the act with a 2764 handicap series.

League standing follows:			
Team	W	L	
Rusty Five	28	12	
Hot Wires	27	13	
Cant Hooks	23	17	
Hooks	21	19	
Hornets	17	19	
UCJV	17	23	
Screw Balls	13	23	
Glass Arms	10	30	

TROUT SEASON OPENING DATES ARE ANNOUNCED

Evan Means, the old "Hole Truth" gent, has come to the rescue of folks who have been bombarding The Bulletin and Recreation Office as to the opening of the trout fishing season. Old "Hole Truth" says the open season in the state for trout begins this Saturday, March 13, except in the Smoky Mountain National Park and Managed Areas, which will open around May 16. The Tellico River area opens April 15, he stated.

Maintenance Cagers Take Plant Loop Crown Then Advance To Finals Of Y-12 Tournament

Carter's Crew Ends League Play Unbeaten

Those sharpshooting Maintenance cagers, managed by "Lefty" Clyde Carter, wrapped up the 1954 Y-12 Plant Basketball League title last week by humbling the Aces, 39 to 27, in a fine game played at Jefferson Junior High gymnasium. The title tussle was a clean, hard-fought contest from start to finish. The loop champions were unbeaten during the regular season.

Winners Hold Lead Throughout

Maintenance was in control throughout, getting off to a seven-point lead at the end of the first quarter and widening the gap to 33 to 19 at the end of the third rest stop. R. E. Justice, Maintenance forward, played perhaps the best game of his career by bagging 16 points and playing a good all-around game. Ray Malcolm chipped in 10 points for the winners and Carter got eight points. The Aces were led by John Myers with 11 markers and Jerry Lambdin with six.

The Duds wound up the season with a win over the Sparks by 37 to 25 as Leroy Nabors and Frank Winstead topped the point producers. Nabors got 18 counters and Winstead collected 14. W. H. Dail, Sparks center, topped the losers with 12 points.

Engineers Play Good Game

The Engineers and ADP tangled in the last game of the regular season with the Engineers coming out on top by a 41 to 26 margin. Manager Walt Simmons and his crew played one of their best games of the year, making a big percentage of their shots and handling the ball well. Jim Turner and Jim Cook led the Engineers with 14 tallies each. Elmer Johnson led the ADP attack by bucketing 12 points followed by Manager Russ Lawler with six markers.

Final league standing follows:

Team	W	L
Maintenance	5	0
Aces	3	2
Engineers	3	2
Duds	2	3
ADP	2	3
Sparks	1	4

Varsity Women Win Over MSI

The Y-12 women's varsity bowling team turned in another victory last week over Management Services, Inc., by a margin of three points. This win enabled the Y-12 lassies to run their total for the third round to seven wins and one loss.

Juanita Reed led the scoring parade for Y-12 with 192, 138, 162—492; followed by Doris Walton 156, 157, 161—474; Mavis Koons 143, 135, 150—428; Ruby O'Kain 154, 115, 152—421 and Betty Whitehorn 100, 128, 123—351. Team totals for Y-12 were 745, 673, 748—2166 against 716, 713, 668—2097 for MSI.

The Y-12 lassies are scheduled to roll against the Oak Ridge Hospital kelgerettes this week at the Oak Terrace alleys.

Y-12 SPORTS

Five Days Remain For Y-12 Bowlers To Enter Pin Meet

Y-12 bowlers are again reminded that only five days remain to enter the All-Carbine Bowling Tournament. The official deadline is 4 p.m., Monday, March 15. Many entries are expected from Y-12 as well as K-25 and the Oak Ridge National Laboratory. The tourney will be held at the Oak Terrace alleys on April 3, 4, 10 and 11.

Tournament entrance blanks may be obtained from the Y-12 Recreation Office, North Portal. Entry fees must accompany the entry blanks.

Entry fees have been set at \$2 per bowler, per event.

Y-12 Pistoleers Post Fine Scores

The Y-12 pistol team in the Oak Ridge Winter League continued to rack up fine scores in matches with the other pistoleers of the loop. In their February 25 outing the Y-12ers were led by T. J. Bush in handicap firing with 286.025, D. R. Alford 285.470, C. G. Brewster 284.965, R. K. Reedy 281.390 and P. H. Williams 281.358. Scratch totals were led by Bush 238, Williams 222, Brewster 203, Alford 191 and Reedy 153.

The Y-12 team ended activities last Thursday, March 4, at the Oak Ridge Sportsmen's Association range.

John Gallimore led this firing scratch scoring for Y-12 with a 250; followed by J. C. Ezell 248, P. H. Williams 244, C. G. Brewster 238 and T. J. Bush 224. Handicap firing was led by Brewster 290.390; followed by Gallimore 287.675, Ezell 287.572, Williams 286.616 and D. R. Alford 284.671.

Three Y-12ers, Gallimore, Williams and H. N. Benninghoff will receive awards for having the highest scratch and handicap averages among members of the Y-12 team.

Y-12ers Place High In Maryville Event

At a recent bowling tournament held in Maryville two Y-12ers, Frank Gragg and Joe Pryson, placed first in doubles with a handicap score of 1323. Pryson placed second in all - events handicap with 1854 and Gragg was 12th with 1796. In singles George Schierbaum posted a 607 handicap to place 13th and Ernie Cobble placed 16th with a 604. All the above mentioned pinsters are members of the Y-12 City League team.

Champions To Play Aces For Meet Title

The Y-12 Plant Basketball Tournament got off to a rousing start last week at the Oak Ridge High School gymnasium with two lively games on opening night.

The first tussle featured the Engineers against the Duds with the Engineers coming out on top by 51 to 25. Manager Walt Simmons and his crew took command at the outset and coasted to an easy victory. Leading the way for the victors was Jim Turner with 19 markers while Simmons and Jim Cook tallied 11 each. Frank Winstead scored 15 points for the Duds.

Sparks Capture Mild Upset

In another tussle opening night, the Sparks pulled a mild upset by whipping ADP 41 to 35 in a close game. The Sparks led by 20 to 18 at halftime. W. H. Dail, Sparks' center, led the scoring parade with 14 points followed by Crabtree with 13. Manager Russ Lawler set a good example for his men by whipping 11 counters through the nets. Lawler was followed by Colleen Shotts, ADP forward, with nine tallies.

Two tourney favorites, Maintenance and Aces, got into action on the second night of play with both emerging victorious. The Aces moved by the Sparks 40 to 26 in a well-played game. Manager Herbert Oliver led the winners by meshing 13 points followed by John Myers with 10. Crabtree led the Sparks with 10 points. The Aces jumped to a 19 to 15 lead at the second rest stop and held a comfortable lead throughout.

Maintenance Forced To Limit

Maintenance, which copped the plant league title, went into action on the second night and nipped the Engineers, 42 to 35, in a game that was decided in the last few minutes. Maintenance led 30 to 28 at the third quarter but the Engineers tied it up 31 to 31 with about five minutes left. Ray Malcolm, Maintenance forward, pulled his team out of the fire to run his total to 13 for the game. Herbert Thornton played an outstanding game for the winners by bucketing 10 points and rebounding well. The never-say-die Engineers also had their share of the glory with Jim Cook leading the way with 11 points before fouling out in the last few minutes. Bill Carden collected nine points for the losers while Jim Turner meshed eight tallies.

The tournament final pitting Maintenance against the Aces has been tentatively set for Saturday night, March 13, at the high school gymnasium.

Y-12 Rifle Team Third In City Loop

The Y-12 rifle team remains in third place in the Oak Ridge Indoor League after winning nine points last week at the Oak Ridge Sportsmen's Association range. The Y-12ers accumulated a total of 855 scratch and 969.367 handicap.

W. D. Cunningham led the scratch scoring for Y-12 with 175; followed by W. R. McIntosh 174; J. J. Gallimore 170; C. G. Brewster 169; R. L. Vanderpool 167 and R. C. McIlhenny 165. Handicap firing was led by McIntosh 194.863; followed by Gallimore 193.777; Cunningham 193.692; Brewster 193.404; Vanderpool 193.631 and McIlhenny 192.917.

The Y-12ers are scheduled to fire again Friday, March 12, at the Oak Ridge Sportsmen's Association range.

In the matrimonial race, a girl who becomes engaged usually is on her last lap.

SOME OF THE PROUD WINNERS OF TROPHIES IN THE RECENT Y-12 PLANT BOWLING Tournament are shown above after receiving their awards from Y-12 Recreation Supervisor Bill Stanton, far left in second row. Fifth from right in front row is Jack Spears, all-events scratch winner and plant champion for the season.

Close Finish Seen In Mixed League

Everything points to a close finish in the Mixed League as the Ponies trimmed the Wheels for three points to throw the loop into a first-place deadlock last week. Two whitewash victories were turned in by the Rams and Spotters over the Hubs and Pin Balls, respectively.

Tom Hillard, of the Ponies, took individual honors by rolling a 203 scratch game, boosted to 238 with handicap, a 517 scratch series, increased to 622 with handicap. Shirley Thompson, of the Ponies, tallied a 164 scratch game, boosted to 212 with handicap while Betty Martin, of the Spotters, rolled a 442 scratch series, boosted to 595 with handicap. Team honors went to the Ponies as they rolled a 1720 scratch series, boosted to 2284 with handicap. The Spotters came through with a 808 handicap game while the Wheels got into the act with a 590 scratch game.

Horseshoe League Forming For Y-12ers

The Y-12 Recreation Office, North Portal, is forming a Horseshoe League for plant employees. Considerable interest has been shown among various groups throughout the plant for a league of this sort and all interested Y-12 male employees are urged to fill out the application form found at the bottom of Page Four of this edition of The Bulletin and send it to the Recreation Office.

Two people make up a horseshoe team—so let's get a partner and start pitching horseshoes. It is a favorite form of recreation and relaxation among all age groups.

Well, what do you know? There were 88,000,000 cows in the U.S. last year.

To Y-12 Recreation Office

I am interested in joining and helping to organize a Y-12 Horseshoe League for male employees.

Orphans Tie Peons For D Loop Lead

The big noise heard in the D League last week was the Orphans, who smacked the Sooners for four points to move into a first place tie with the Peons, who dropped three to the improving Rollers. Another whitewash victory was turned in by the Vectors over the Unknowns. This enabled the Vectors to move out of the cellar.

The Orphans also took the spotlight in team scoring by rolling a 867 scratch game, boosted to 1024 with handicap, a 2415 scratch series, increased to 2886 with handicap. Jim Haggard, of the Rollers, took individual honors with a 136 scratch game, boosted to 235 with handicap while George Riddle, of the Orphans, tallied a 506 scratch series, boosted to 641 with handicap.

League standing follows:

Bumpers Roll Way To B League Top

The improving Bumpers rode to first place in the B League last week with a resounding four-point win over the Swingsters while the Rebels took over second place by winning three tallies from the Wolves. Three-point wins were common among the rest of the B League teams as they all triumphed via the triple route, Rippers over the All Stars, Cubs over Bldg. 9211, Has Beens over the Wasps and Tigers over the Strikers.

Tom Perry, of the Cubs, blasted the Maples with a 235 scratch game, boosted to 270 with handicap and a 672 handicap series. Roy Roberts, of the Has Beens, got into the act by rolling a 599 scratch series. The hard-rolling Has Beens claimed all team honors as they swept the boards with a 904 scratch game, boosted to 1047 with handicap, a 2554 scratch series, increased to 2983 with handicap.

Tool Engineers Install Trio Of Y-12ers As Officers

New officers of the East Tennessee Chapter of the American Society of Tool Engineers, including three Y-12ers, were installed at a dinner meeting of the organization at the Whittle Springs Hotel, Knoxville, Tuesday night, March 2. The Y-12 employees taking office were J. C. Thomas, Mechanical Engineering, secretary; James Gilliam, Maintenance Shops, second vice chairman; and Mrs. Nora Hurst, Mechanical Engineering, treasurer. M. B. Hilton and Lon McNeil, also both of Mechanical Engineering, were retiring officers, having been chairman and treasurer, respectively, of the chapter for its first year of operations.

Other new officers for the chapter are Charles Lasseter, University of Tennessee, assistant professor of mechanical engineering, chairman; and Leonard Milton, Fulton Sylphon Co., Knoxville, first vice chairman.

day afternoon, March 12. The meeting will be held at 3:15 p.m. in the auditorium of Bldg. 4500, Oak Ridge National Laboratory, the new research building at ORNL. Conroy W. Snyder, of the ORNL Physics Division, will be the speaker and all Y-12ers interested in the subject are invited to attend.

\$6,065.46 Given Red Cross Fund By Y-12ers

Continued from Page 1

support of worthy community welfare work. It was the seventh consecutive year that Y-12ers have been the first unit in its division to meet and exceed its quota and be the first to turn its contributions into Red Cross headquarters.

The Red Cross drive snowball started rolling early Monday morning, March 1, the opening day of the campaign in the city, as Chairman Barron reported \$3,891.36 on hand before noon on that day. Then throughout the week the reports with cash and payroll deduction cards continued to pour in and when a check was made last Friday it was found that every division in the plant had given 100 per cent or more of its assigned quota. One division, Development, had a record of 200 per cent of its goal.

Only Few Unheard From

Only a handful of Y-12ers are yet to be heard from in connection with the campaign—these being those either sick or on vacation. They all will be given an opportunity to contribute to the Red Cross fund if they desire.

Much of the credit for the success of the campaign should go to members of the Plant Campaign Committee, Chairman Barron said last Friday. Barron is Office Manager of the Manufacturing Office Division. The representatives of divisions throughout the plant and the two unions represented in the plant gave unstintingly of their time and efforts, the chairman pointed out, to speed up the drive. In addition to the chairman, committee members included John Rohland, Manufacturing Office, assistant chairman; O. W. Briscoe, Laboratory; Bruce Whitaker, Manufacturing Office; W. O. Elam, Industrial Relations; Leroy Thornton, Alloy; R. S. Phillippi, Chemical; Ralph J. Langsjoen, Development; Nelson Tibbatts, Engineering and Maintenance; Ross Eichorn, Property Sales; Jesse L. Hamon, Atomic Trades and Labor Council; and J. V. Ledbetter, International Guards Union of America.

St. Patrick's Theme Set For Carbide Wives Party

The regular monthly card party and meeting of the Carbide Wives on next Wednesday night, March 17, will feature a St. Patrick's Day theme. The meeting will be held at 7:30 o'clock in the East Lounge of the Ridge Recreation Hall. Mrs. D. M. Cox will be the executive board member in charge of the affair. Among the hostesses will be Mrs. H. S. Wagner, wife of a Y-12er, and Mesdames B. F. Brown, Jr., J. H. Fletcher, Herbert Cleveland, Keith Lowry and W. B. Chambley.
